Course Descriptions

Professional Development Courses

A MUST for businesses that want to expand to the Hispanic market and hire Hispanic personnel. These ON-SITE classes are generally 2-3 hours in length. Employees will learn basic phrases and pronunciation, as well as cultural differences specific to your profession and your organization's needs.

Lunch Hour Learning

Held as one-hour classes over a three-week period during the business day, this class is great for those who don't have much free time but do want to learn Spanish.

You choose the location! Get a group of six (6) or more people together for lunch hour learning!

12-hour conversational Spanish 1

Classes for those who want to acquire basic knowledge and use of the language. This is a great place to start; it's the tip of the iceberg!

12-hour conversational Spanish 2

Classes for those who want to use Spanish in more situations. This class will allow you to further develop your skills.

Took it in high school? Brush up here!

12-hour conversational Spanish 3

This class is practice-based and will increase your ability and usage of the vocabulary learned in levels 1 and 2 of Spanish on the Fly classes.

Destination: Fluency

12-hour conversational Spanish 4

- These 12 hour sessions will enhance your vocabulary as well as your command of the grammar of the Spanish language. **Level 4** concentrates on the irregular present tense and new vocabulary.

Intermediate levels 5-6

Each of these 12 hour sessions will enhance your vocabulary as well as your command of the grammar of the Spanish language.

- **Level 5** begins use of the past tenses
- **Level 6** introduces the commands, reflexive verbs, and object pronouns

All of the above levels combine useful vocabulary and meaningful stories with conversation. All are meant for practical use.

Advanced levels 7-9

Each 12 hour session in levels 7-10 combine the grammar of levels 4-6 with all new vocabulary and situations.

- **Level 7** focuses on the world around us, dealing with city living and daily routines
- **Level 8** will continue with more, plus begin new grammar structures
- **Level 9** will balance new vocabulary and grammar to keep with the conversational pace
